Youth Congress Talent Showcase 2024-2025

INTRODUCTION

Our young people have consistently demonstrated high levels of skills and talents in the Performing Arts. Many of us can recall our involvement in 'Youth Achievement' back in the day. Over the years, the annual Youth Congress has become the premier event used to highlight the talents of the young people in the New Testament Church. We want to use this competition as a means of honing the talents of our young people and help to channel them into ministry.

Due to the fact that we will not be preparing our teenagers for the upcoming Teen Talent competition in 2026, we have taken the decision to revert to the regular two (2) Divisions this year: **Children**, and **Youth**. Thus, we will see a mixture among our teens and young adults in this year's competition. We anticipate another competitive Talent Showcase as we surrender our talents to His Glory.

AS PER PREVIOUS YEARS, THE TALENT SHOWCASE COMPETITION WILL HAVE THREE DISTINCT ROUNDS:

1. **District Playoffs/Selection** – District Directors are required to conduct District playoffs and/or selections to determine the district representatives to the Regional Final. District Directors may enter the first, second or third place winners/selection from the District. Conditions apply.
2. **Regional Finals** – four (4) regional finals will be conducted by the National Office in conjunction with the Regional coordinators to determine the national finalists. All first, second and Third place winners will advance to the National Finals.
3. **National Finals** – All regional winners are eligible to compete at the national finals to be held during the National Youth Congress.

Grounds for Disqualification

Over the years we have come to recognise that there are individuals/groups who have had little or no regard for the rules and regulations that have been outlined in the Talent Showcase Manual. As such, we are putting in place some basic guidelines to help to better inform persons as it relates to what will constitute to a piece being disqualified from the competition.

1. A group or individual that is over the prescribed age range will automatically be disqualified from the competition.
2. A Group or Individual doing a dance or drama piece that is not an original choreographed by them and fail to give due recognition to the original choreographers will be automatically disqualified.
3. A group who fail to heed the warnings of the judges/coordinators as it relates to aspects of their performance not suited for Christian competition will be disqualified
4. A group or Individual who becomes disrespectful to the Judges/coordinators will be disqualified from the competition.
5. Teams who fail to enter a piece in its designated category will be disqualified. (E.g. A team that enters a mime but the piece is depicting a Pantomime).

Please note that the grounds for disqualifying any piece from the competition is not limited to those outlined in this document but also as deemed appropriate by the coordinator[s] of the Talent Showcase competition.

Highlights – New Updates

1. Drama Division has split Group items into two, Small (2-6 participants) or Large (7 or more participants)
2. Solo Praise Dance is now either Rhythmic Dance or Upbeat Dance
